

Mom's Super Simple Taco Dip

Prep Time: 10 mins + Couple Hours | Servings: 1-2 Trays |

Ingredients:

- 1/2 Container Sour Cream
- 1 Pack Room Temperature Cream Cheese
- 1 Packet Taco Seasoning
- 2 Cups Shredded Lettuce
- 1 Cup Shredded Cheese (we prefer sharp cheddar)
- 1/4 Cup Salsa
- Tortilla Chips

Directions:

1. Once your Cream Cheese has come to room temperature, place in mixing bowl with the container of sour cream.
2. Add your packet of Taco Seasoning.
3. Use your hand mixer to combine ingredients. Be sure to start at the lowest setting and work your way up as to avoid a kitchen disaster. If you don't have a hand mixer, this is where you would use your wisk and biceps!
4. When the cream cheese, sour cream and taco seasoning are well combined, place lid on the mixing bowl and place in the refrigerator to chill for a few hours. (If you're short on time you can move on to the next step but we recommend chilling this part of the recipe so that it can set up and the flavors can come together.)
5. After chilling for a bit you can assemble the dip! Using your spatula, spread an even layer on the bottom of your shallow dish.
6. Next add your salsa. We recommend using a small spoon to help disperse it around.
7. Once your salsa has been added, it's time to add the lettuce.
8. Finally generously sprinkle your cheese of choice evenly around the dish and voila! You're ready to dig in!
